Remote Learning Plan

Should a student be absent from school due to self-isolation there are a number of ways that they can access their learning. The full curriculum is provided using the following 4 stages and stages 1, 2 & 3 will be accessed using Microsoft Teams.

Live

- Students should follow their normal timetable through Microsoft teams and lessons will be delivered by their class teacher live.
- Lesson material will also be uploaded to Microsoft teams to support them with independent follow up work.
- Students will also be directed to further online resources such as Hegarty Maths, Seneca and GCSE Pod.

Oak National Academy

- Students will be directed to **www.thenational.academy** where they will be able to access self directed video lessons with resources that follow their normal school curriculum.
- Links to the relevant materials will be posted in Microsoft teams.
- Students will also be directed to further online resources such as Hegarty Maths, Seneca and GCSE Pod.

School Resources Online

- Lesson resources will be uploaded to Microsoft teams that correspond to the curriculum. Students should access these along with instructions and work through them independently.
- Students will also be directed to further online resources such as Hegarty Maths, Seneca and GCSE Pod.

Paper Resources

- If students do not have access to IT facilities whilst self isolating, paper resources aligned to the curriculum will be provided. These should be worked on independently.
